Padded Top

For a durable table top that ensures your linens look their best, our padded top design is the perfect choice. The white vinyl covering offers no-hassle cleanup, saving you the time and expense of unnecessary replacement. A high-quality, easy-to-clean white vinyl is used to expertly wrap the sealed core, with a broad range of table top sizes and shapes to choose from. Padded table tops are certainly more practical than pretty, but they are essential for pairing with table linens.

Made to order in any shape and size.
