Cumberland Booth

Our built-to-order Cumberland booths provide a comfortable spot for guests to sit back, relax, and enjoy their time in your space. The high-density foam and web seat construction provide durability and comfort that will last a lifetime. Thoughtful design touches like moulding details, end and top caps, and a skirt (oak or maple) add a simple, sophisticated style.

Customize your Cumberland booth with your choice of upholstery, stains, and finish, and add optional features such as tufting or wood legs.
