## Park Booth

Our Park booths are designed to seamlessly complement a broad range of interiors, bringing a classic, understated style with their clean lines and subtly curving silhouette. The horizontal slats on the seat and back create a certain sense of movement and visual interest, while maintaining a timeless simplicity. The gentle angle of the booth's back provides support and comfort for guests, enhancing their dining experience. Customize the Park booth to suit the style of your space, selecting a stain, size, and even additional features as desired.
